# Chhattisgarh Logistics Park Policy 2018-2023

The policy aims to make the state a logistics hub by letting proprietary, partnership, cooperative societies, LLP's, establish logistics park. It is expected to create employment, promote investments, make the state multi-modal transport hub, etc.

# Chhattisgarh Innovation and Entrepreneurship Development Policy

Under the action plan for this policy, govt. of Chhattisgarh is establishing Incubators and Accelerators in the State to ensure that at least 100 ventures get setup and funded by Venture Capitalists/Financial Institutions/Angel Investors.

## Chhattisgarh Industrial Policy 2019-2024

The policy focuses on sustainable development and inclusive growth in the state across all sectors. Policy is committed towards development of backward areas of the state ensuring regional balanced growth.

**GST Compensation, Interest Subsidy, transport subsidy**

**Ease of doing business:  
Single window System**

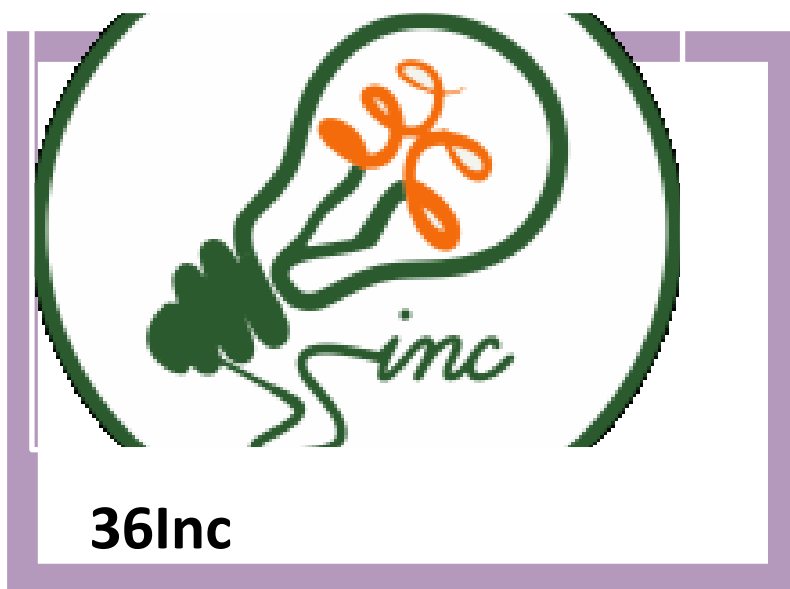

**Entrepreneurship Development & Skill  
Up gradation**

**Export Facilitation**

## Enabler Community

Incubators, accelerators, co-working places and Investors are the part of an enabling community aside from the government, to build the startup ecosystem. Some of the well known among them in Andhra Pradesh are:

State has supported incubation area of more than 40,000 sq. ft. through a single incubator

**'AIM@36INC, Raipur'.**

This incubator also acts as the nodal agency of Government of

Chhattisgarh for entrepreneurship development in the State. The support is provided in the form of financial grant.

AIC@36INC is working on Hub and Spoke model to spread its operation. It is developing incubators across Chhattisgarh to reach local entrepreneurs at different region of Chhattisgarh.

Government of Chhattisgarh has notified an angel fund “36 Angel Fund (36AF)” on February, 2018. It is an angel fund specially founded for early stage investing in Chhattisgarh based Startups. 36AF also directly co-invest, along with Angel Funds or angel groups for up to INR 50 lacs in a single Startup registered in Chhattisgarh.

**Venture Catalysts:** is an incubator known for development of startups, supported by ecosystem catalysts, angel investors, management consultants and advisors. Besides it also, facilitates mentoring, seed investments, through angel investments and supports services for start up community.

**VentureCatalysts**  
India's 1<sup>st</sup> Integrated Incubator
