

**Kerala**

# Kerala State Entrepreneur Development Mission (KSEDM)

An ambitious scheme of the Government of Kerala that aims at inculcating entrepreneurial confidence among youth of the State through the process of selecting persons with aptitude and earnestness, training them meticulously and enabling them avail finance on easy terms from Banks/Financial Institutions.

## ENTREPRENEUR SUPPORT SCHEME (ESS)

It provides extensive support to micro, small and medium enterprises and gives one time support to entrepreneurs, with due regard to special categories by optimal utilization of funds and giving more flexibility of operation while implementing the scheme.

A large, solid pink circle is centered on the page. Inside the circle, the text 'Financial Assistance of up to 30 Lakhs per applicant unit.' is written in white, bold, sans-serif font.

**Financial Assistance of up to 30 Lakhs  
per applicant unit.**

# Kerala Industrial & Commercial Policy 2018

The main focus of the Industrial & Commercial Policy is to adopt effective measures to convert Kerala into an investor-friendly destination. Along with that traditional industries will also be protected. This policy aims at environment-friendly and for the sustainable use of natural resources.

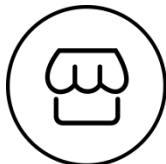

Infrastructure  
Development

Establishment of Industrial  
Parks

Financial Incentives  
Development of Household Nano  
Enterprises

Single Window Clearance

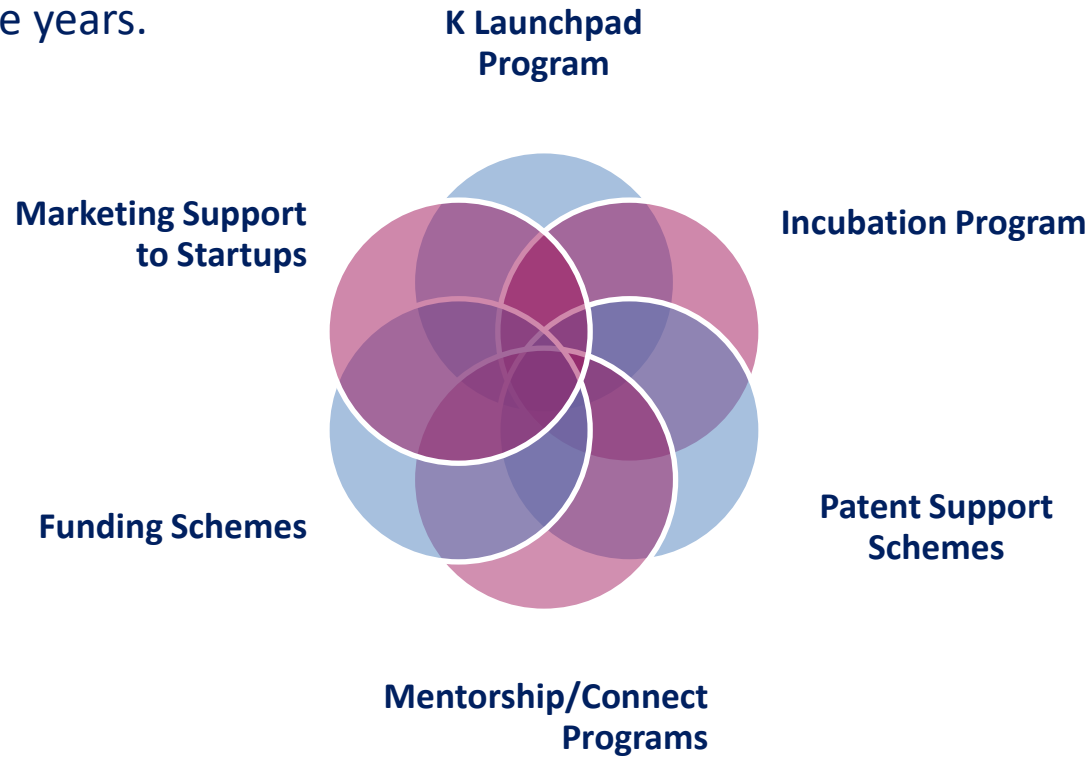

Entrepreneurship  
Development

Industrial Cluster  
Development

# Kerala Startup Mission Schemes 2019

Kerala Startup Mission is the central agency of the Government of Kerala for entrepreneurship development and incubation activities in Kerala, India. KSUM acts as a springboard for budding entrepreneurs who wish to launch themselves into the world of technology-based careers and has helped develop several innovative new products and solutions over the years.

## Enabler Community

Incubators, accelerators, co-working places and Investors are the part of an enabling community aside from the government, to build the startup ecosystem.

### **INCUBATORS**

The report on the KSUM portal in the link gives a comprehensive list of incubators and accelerators running in the state:

[https://startupmission.kerala.gov.in/frontend-pdfs/KSUM-Report2019.pdf/ksum\\_frontend\\_pdfs](https://startupmission.kerala.gov.in/frontend-pdfs/KSUM-Report2019.pdf/ksum_frontend_pdfs)

## MENTORS

Kerala Startup Mission, in association with Government of Kerala, provides incubates with research assistance, prototype developing assistance etc. in their respective fields. Mentors will support the startups to develop a product or service using advanced technology solutions and help them to achieve their goal. <https://startupmission.kerala.gov.in/mentors>

## CO-WORKING

Some of the top co-working places in Kerala are:

InQ Innovation

Creative Co-working Cube

KUBZ

Some more are mentioned here in this link:
