

Goa

Goa Startup Policy 2021

The objective of the policy is to make Goa an aspirational geographical and human resource base for Start-ups. The objective is to invite the best entrepreneurial minds and build a robust start-up eco-system in the State. The policy contains various incentives for Start-ups and to avail the benefits of these incentives, the Government has proposed many schemes under the policy.

Goa IT Policy 2018

The Goa IT policy 2018 focuses on infrastructure development, fiscal incentives, governance, and human resource development.

Infrastructure Development

Fiscal Incentives

Special Incentives for Smaller Business Units

Ease Of Doing Business

Goa Investment Policy 2014

The Goa Investment Policy aims to create more jobs in the state by facilitating investments through all possible measures like infrastructural and institutional support.

Establishment of Investment
Promotion Board

R & D Services

Fiscal Incentives

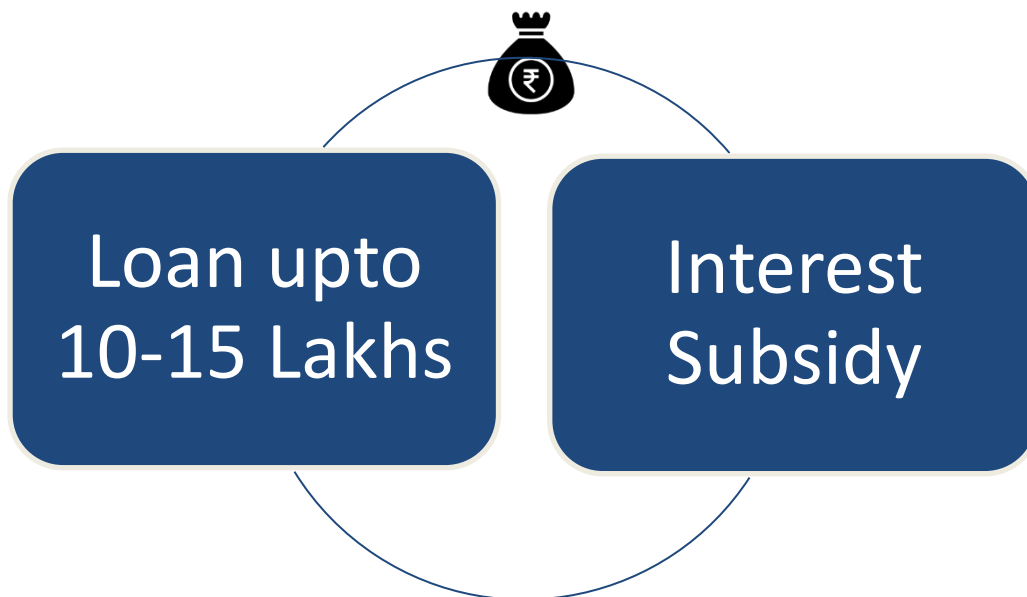

Logistic Support

Ease Of Doing Business

Self Employment Scheme

Under this scheme the financial support will be advanced up to a maximum Rs. 10 lakh to any individual person belonging to Scheduled Tribes Community to undertake any self employment activities.

Enabler Community

Incubators, accelerators, co-working places and Investors are the part of an enabling community aside from the government, to build the startup ecosystem. Some of the well known among them in Goa are:

Technology Business Incubator

Coworking place

Atal Innovation Centre, Goa Institute of Management

Ignite Innovation Hub

Goa Startup Mission

The state portal for startups features a list of mentors, investors and incubators active in the state. <https://startup.goa.gov.in/index>
This portal also has other useful information for investors, entrepreneurs etc. like schemes and policies and other resources.
